

More...
...interactivity,
...motivated participants,
...qualified feedback,
...and measurable results
for your event.

The software solutions of G+B Interactive® can help you achieve this.

Use the supporting functions of our versatile Event-App

The software tool **EVENT APP** offers more than voting:

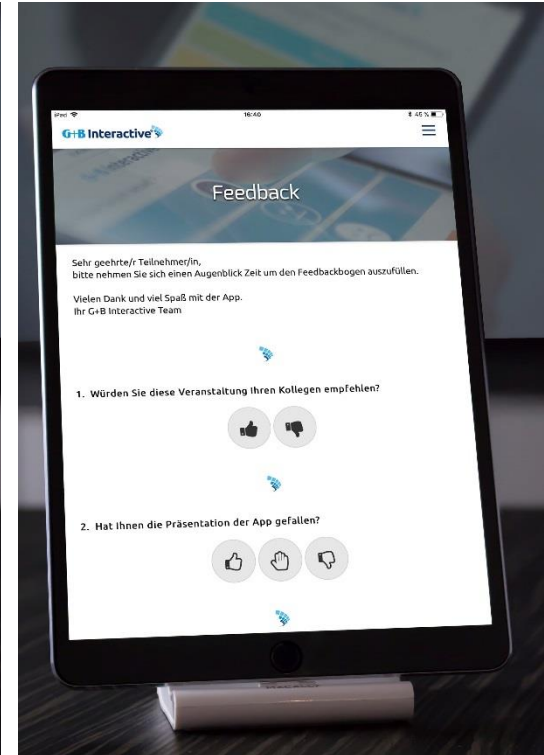

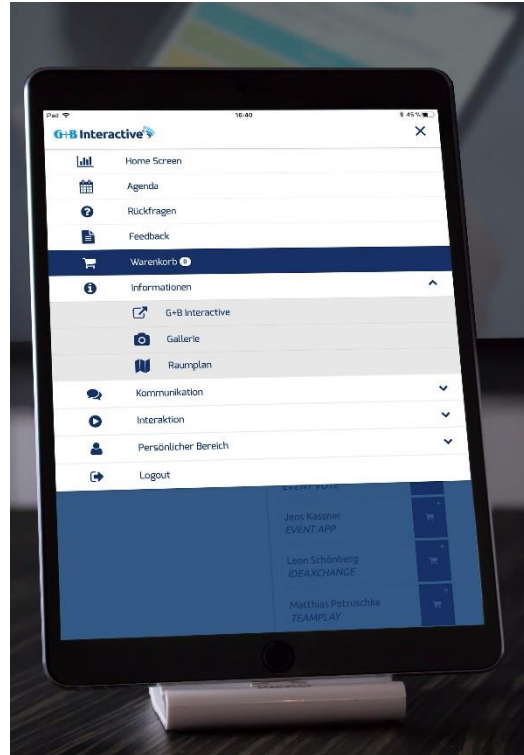

- Profit from the digital voting with direct evaluation and presentation of results
- Interact with direct audience feedback
- Offer your event participants digital support
- Both the function and design of the tool can be adapted to your requirements

EVENT APP at a glance

Optimize your event and create clear added value for your participants

Added value for you as an event organiser:

- Digitise your documents, save on printing costs and time, and protect the environment.
- Reach your event participants directly.
- Constant communication before, during and after the event.
- All data is stored centrally and is simple to access.
- Promote active participation and networking.
- Receive direct feedback for controlling purposes.
- Conduct votes with absolute confidence and in accordance with the statutory requirements for annual general meetings.

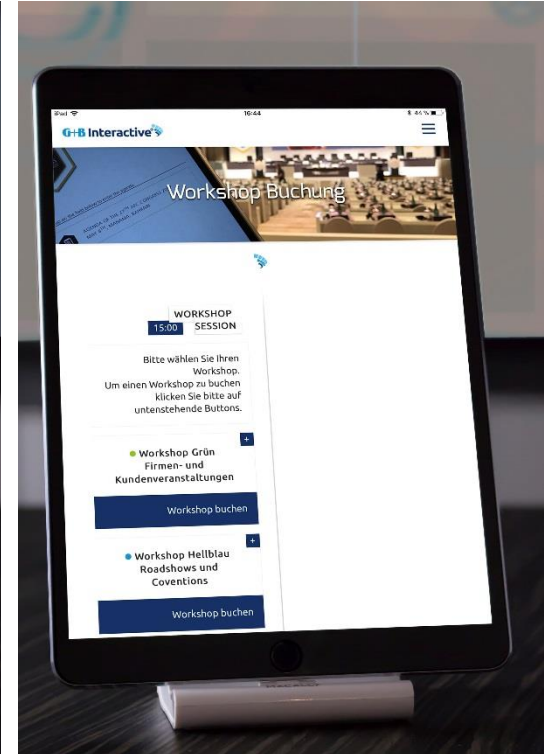

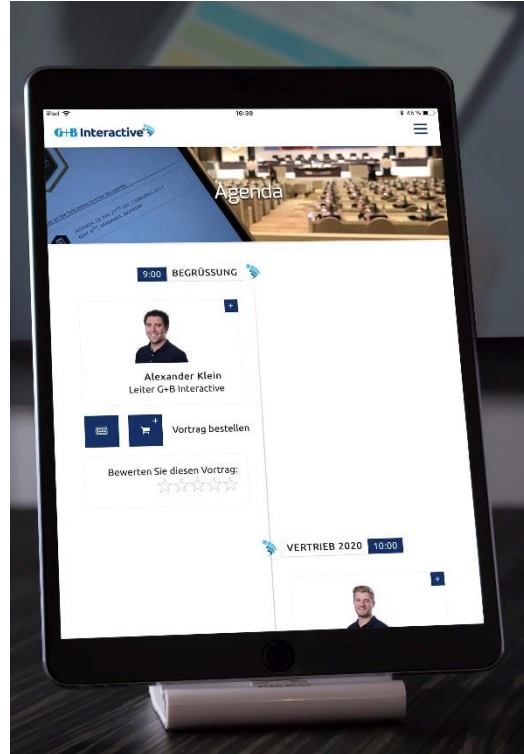

EVENT APP at a glance

Optimize your event and create clear added value for your participants

Added value for your event participants:

- Help your guests by making all information centrally available.
- Open presentations, provide them with notes and have them sent to personal email addresses.
- All seminars and workshops at a glance and with one-click registration.
- Active exchange between the participants through open and group chats and the opportunity to swap digital business cards.
- Active event participation via the digital exchange of views and ideas, gamification, live voting and feedback function.
