

More...
...interactivity,
...motivated participants,
...qualified feedback,
...and measurable results
for your event.

The software solutions of G+B Interactive® can help you achieve this.

Make communication measurable

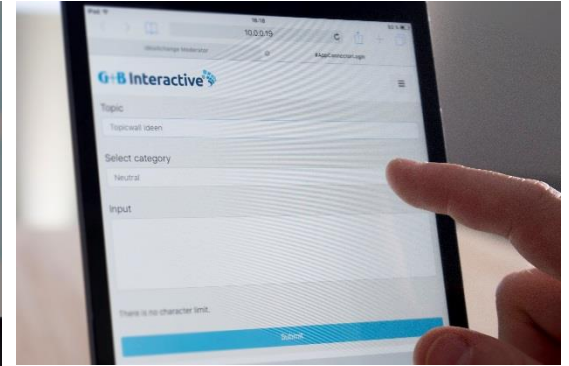

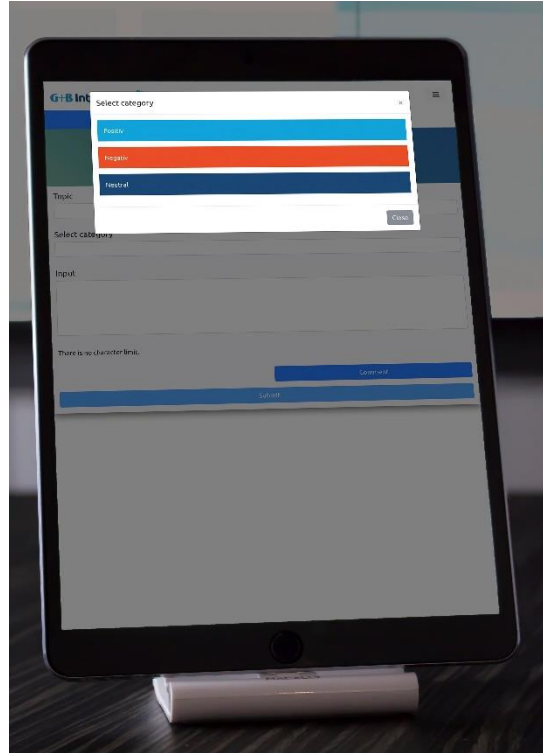

The software TOPIC WALL will help you:

- Activate your event participants
- Receive direct participant and customer feedback
- Capture the emotions of your event participants in real time
- Both the function and design of the tool can be adapted to your requirements

TOPIC WALL at a glance

You will benefit from more honest and open communication

- With TOPIC WALL, capture the thoughts and emotions of your event participants in real time.
- Using the app, event participants can enter and submit their own contributions by smartphone or tablet. These appear directly on a public display, or on a screen.
- Other participants can like the posts, vote for them and publish their own contributions.
- Via the anonymous delivery, you capture as well the views of introverted event visitors and get constructive, genuine feedback.
